Application to Merion Mercy Academy

Class of 2031

Juliana
Sánchez Murillo

Grade 8 · Spring Garden School · Philadelphia

Juliana comes from Colombia, a beautiful Latin American country and the land of magical realism. She began her education at Ciudadela Educativa La Presentación, a Catholic school run by Dominican sisters in Cali, where she completed grades 1 through 5.

We then moved to Philadelphia, where Juliana attended James G. Blaine School for sixth and seventh grade.

She is now in eighth grade at Spring Garden School in Philadelphia. Her story brings together faith, service, public speaking, and a desire to keep learning through sports.

She dreams of returning to a Catholic school where she can receive a quality education rooted in her faith. She looks ahead to a life of faith and communion, with the conviction that she will attend a great university.

That is why we have taken the time to share a little of her story. We hope these brief moments and memories help you get to know her purpose, her dreams, and the young woman she has become.
